

Scholarship Agreement Form

- Each Student is eligible for a maximum of 4 Scholarships per year.
- The Scholarships can cover part or all of event, depending on the need of the applicant.
- Each Student will participate in service events, either with the youth group, the youth minister, or another authorized group or individual.
- Students are responsible for finding their own service events, and for getting those events approved by the Youth Minister.
- The Student will be “compensated” \$10 per hour of service toward the cost of the event.
- At least half of the cost of the event must be worked off prior to the start date of the event.
- Any remaining costs must be worked off before another scholarship can be applied for. If the student does not work off a scholarship, they will not be eligible to attend any paid youth group events until the scholarship is either worked off or paid off.
- Students are responsible for working off their scholarships in a timely manner. Any failure to work off a scholarship in a timely manner may result in a denial of future scholarship requests.
- The Student and their Parent/Guardian will sign this form as an agreement to the terms of the scholarship.
